WHO WE ARE

Giratur was founded in August 1981. Throughout this extensive trajectory, we have specialized in offering high-quality services, innovative experiences, and comprehensive support to our clients.

We design and promote the sale of programs to Europe, South America, the USA and Canada, Mexico, Central America, the Middle East, the Far East, Australia, and New Zealand.

We are located in Bogotá and have a network of general agents that covers the entire country.

MISSION

We design and create experiences that inspire our travelers to awaken their senses through connection with diverse cultures and landscapes. With a highly qualified, efficient, and human team, we provide personalized advice and companionship to our clients at every step of their journey.

WHAT DO WE OFFER?

DESTINATION PLANS

Choose your destination and travel with our pre-designed guided plans that include accommodation and services. Choose your departure date and have the opportunity to meet other Spanish-speaking travelers.

TAILOR-MADE TRIPS

Design your own trip. Choose your destination, dates, and visits in a private or shared service with other travelers.

SPECIAL DEPARTURES

Group trips to explore the world in a guided manner with specific departure dates and including accommodation, services, and airfare.

AIRLINE TICKETING

We are an IATA agency offering a wide range of options and agreements for your airfare through our Global Distribution Systems (GDS) with wholesale rates from our partner airlines.

ASSISTANCE CARD

We offer the sale of traveler assistance services through brands with extensive experience in the market, allowing our passengers to travel with the assurance of being supported in the event of any contingency during their trip.

OUR PRODUCT

HONEYMOONS

At Giratur, we specialize in creating tailor-made honeymoons designed for couples to experience unique and unforgettable moments in the most incredible and paradisiacal destinations.

CULTURAL TRIPS

Itineraries focused on visiting historical monuments, museums, galleries, and experiencing activities that offer a close encounter with the culture of the destination (gastronomy, shows or artistic performances, rituals, and more).

PILGRIMAGES

Trips focused on visiting sanctuaries and sacred places that open up the possibility for travelers to connect with their beliefs and/or spirituality.

REST AND WELLNESS

Trips where the pleasure of resting, appreciating the vastness of nature, and/or enjoying rituals for body care are the main focus.

THEMATIC TRIPS

Travel experiences that allow you to explore a destination through a specific theme:

- Wine routes
- Gastronomy
- Wildlife watching in their natural habitat
